1. The pattern in one line

Moira is funded for 1:1 support every hour of every day: 22 hours of assistance with self-care plus 2 hours of community participation each day, on weekdays, weekends and public holidays alike. That is 168 hours a week, 24 hours a day, never shared.

	Self-care (1:1)	Community participation (1:1)	Total 1:1 hours
Weekday (Mon–Fri)	22 h (12 daytime + 4 evening + 6 active night)	2 h	24 h
Saturday	22 h	2 h	24 h
Sunday	22 h	2 h	24 h
Public holiday	22 h	2 h	24 h
Per week	**154 h**	**14 h**	**168 h**

2. Daily roster pattern

The day is delivered as three eight-hour shifts — 6:00am to 2:00pm, 2:00pm to 10:00pm, and 10:00pm to 6:00am — worked by a small, consistent team. The two hours of community participation sit at 12:00pm to 2:00pm, wholly inside the first shift, so one worker delivers them and there is no handover in the middle of an outing.

The blocks in the table below are claiming blocks, not shift boundaries. The NDIS daytime, evening and night items change at 8:00pm and at midnight, so a single worker's shift can fall across two claim lines: 8:00pm to 10:00pm is the end of the afternoon shift charged at the evening item, and 10:00pm to midnight is the start of the night shift charged at the same evening item. Active overnight begins at midnight.

Weekdays (Monday to Friday)

Block	Time	Support item	Hours	What happens
Active overnight	12:00am – 6:00am	01_002 Self-care — weekday night (active)	6	Worker awake and on duty all night. Continence care, repositioning, safety checks.
Morning	6:00am – 12:00pm	01_011 Self-care — weekday daytime	6	Personal care, breakfast, medication prompts, diabetes routine, household tasks.
Community participation	12:00pm – 2:00pm	04_104 Community participation — weekday	2	Out of the house: park, beach, walks, shops, family, community.
Afternoon	2:00pm – 8:00pm	01_011 Self-care — weekday daytime	6	Lunch, rest and naps, the personal-care time Moira enjoys, appointments, dinner.
Evening	8:00pm – 12:00am	01_015 Self-care — weekday evening	4	Evening routine and settling for the night.
		Total	**24**	

Saturday, Sunday and public holidays

Block	Time	Support item	Hours	What happens
Self-care	Across the day, less the community block	01_013 Saturday · 01_014 Sunday · 01_012 public holiday	22	One continuous 1:1 line of support across the day, night included and active. The weekend and public-holiday items apply to the whole 24 hours — there is no separate daytime, evening or night item on these days.
Community participation	12:00pm – 2:00pm	04_105 Saturday · 04_106 Sunday · 04_102 public holiday	2	As weekdays; timed around community and family events.
		Total	**24**	

Shift handovers happen in person at each change of shift, using Moira's established communication methods. Moira is deafblind and non-verbal, so consistency of worker is a safeguard, not a convenience: the same small team is rostered wherever possible and every new worker is introduced by a worker she knows.

3. Supports, hours and funding

Hours per week are the funded hours. Moira lives in Seisia, which is Modified Monash Model 7 (Very Remote), so the price limit for every support is the Very Remote limit — the national price limit multiplied by 1.5, as the NDIS Pricing Arrangements provide for MMM 7 areas.

Self-care is claimed at the rates in Moira's NDIS budget breakdown of 7 October 2025, the rates her plan was funded at, so the self-care lines match the plan totals in the last column exactly. Community participation is claimed at the current Very Remote limit under the NDIS Pricing Arrangements and Price Limits 2026–27, which is about 4.8% above the rate the plan's community lines were calculated at. The limit column shows the 2026–27 Very Remote limit for each item: no rate claimed is above it. Only hours actually delivered are claimed.

NDIS item	Support (all 1:1)	When	h/occ.	per week	Rate claimed	Very Remote limit 2026–27	Weekly basis	Plan total (5 yrs)

04_105_0125_6_1	Community participation — Saturday	Sat	2	2 h	$155.31	$155.31	$310.62	$74,421.50
04_106_0125_6_1	Community participation — Sunday	Sun	2	2 h	$200.25	$200.25	$400.50	$97,104.20

	Total			**168 h**			**$21,470.62**	**$5,735,098.90**

Weekly basis excludes public holidays, which are claimed at the public-holiday items on the days they fall — the plan allows for 60 public holidays across the five years. The weekly basis is a guide for the plan manager, not a fixed charge.

Where this schedule sits in the plan

Core — Assistance with Daily Life (self-care lines)	$5,269,794.50
Core — Social and Community Participation	$465,304.40
Total drawn by this schedule	$5,735,098.90 over 5 years (≈ $95,584.98 a month)
Core Flexible budget in the plan	$5,736,048.90 over 5 years (also covers consumables of $950)
Not in this schedule	Support Coordination, Occupational Therapy and Speech Pathology, plan management, assistive technology repairs, and recurring transport (self-managed, paid to Moira)

4. How supports are claimed

- One claim line per item per day, matching the claiming blocks above. Night hours are claimed at the active-night item, never as a sleepover — a worker is awake and on duty.
- 8:00pm to midnight on a weekday is the evening item (01_015). Midnight to 6:00am is the weekday active-night item (01_002).
- On a Saturday, Sunday or public holiday, one item covers the whole 24 hours: 22 hours of self-care at 01_013, 01_014 or 01_012 respectively, plus 2 hours of community participation at 04_105, 04_106 or 04_102. There is no separate evening or night item on those days.
- A public holiday replaces the weekday or weekend items for that day entirely: 22 hours at 01_012 plus 2 hours at 04_102.
- If the community block cannot happen on a given day because of weather or health, those two hours are delivered and claimed as self-care instead. The daily total stays at 24 hours.
- Worker travel with Moira during the community block is part of that support. Recurring transport is paid to Moira by the NDIA and is never claimed by Humanity and Inclusion.
- Every claimed shift is evidenced by a progress note naming the worker who delivered it. Notes are available to the plan manager and the NDIA on request.

- Short-notice cancellations follow the cancellations clause of the Service Agreement. Hospital stays are not charged.
- Invoices go to the plan manager, Hemera Plans, listing the support item number, the date, the hours and the rate for each line.

5. Review

- This schedule is reviewed with Moira and her Guardian at least every three months, and whenever her needs, her plan, or the NDIS Pricing Arrangements change.
- A change to block times needs no new schedule. A change to funded hours or to support items does, and is issued as a new version agreed with her representative.
- The rates in this schedule stay as listed until a new version is issued. If an NDIS price limit falls below a rate listed here, the lower limit is claimed from that day.

Next review due	22/12/2026 (three-monthly), or earlier at plan review or change of need
